## Trick-shots competition result

**We asked you to dazzle the public with your snooker wizardry by sending in your trick-shot videos and you came up trumps!**

Clearly many of you caught the snooker bug during the World Championship - we received a fantastic array of entries, and after much deliberation and debate, our panel finally decided on their top three shots.

Third place goes to **Dale Branton** from Plymouth for his audacious 'Black Magic' shot.

**James Oakley** from Witney wowed us with his quick-fire multi-ball pot shot to finish in second place.

But the winning shot was sent in by **Mark Shepherd** from London.

The judges were hugely impressed by the amazing cue power Mark displayed in sinking the red, screwing back off the cushion, and sending the cue ball back to pot the black in the same pocket!

Mark wins a signed cue for his efforts - thanks again to everybody who entered.
